- I am Rosali Mary, aged 50, living in Saveriyarpalayam. My husband name is Sebasthiyan aged 55, I have one son aged 35 he got married my Daughter in law Priya aged 30. I have one grand daughter and one grandson.They are studying in school. Our family work is agricultural coolie . I joined in the kolping family in the year of 06.06.2014. I attended the kolping meetings and had regular savings. We had a small thatched roof house for our family. I came to know about the kolping housing programme. So I requested Salem Social Service Society to avail the loan for housing. Kolping regional office looked into our application and our need , sanctioned the loan the amount of Rs 50000/- (Rs 10000/- is subsidy) on September 2018 . Our total amount for the housing construction was Rs.6,00,000/- I got the loan amount Rs.50000from kolping india. Then I got an internal loan amount from group Rs.50,000/- .We saved Rs.45000 as we also put our hard work in constructing the house along with maisons. A stone for a building basement was taken from our own land. The amount of nearly Rs. 1,00,000/-was cut short in the construction. To pay labour and for materials I got the external loan from my relatives. Finally I completed the house construction for our family. I am happy to say a big thanks to Kolping India National office and Regional office.
